

BOWLING GREEN ROAD RUNNERS

EXTREME FITNESS 5K RUN RESULTS

Glasgow Kentucky – 10/20/12

NOTE: Times reported during the awards ceremony were slow by approximately 16 seconds due to a synchronization issue. This was an oversight by BGRR NOT the event management. The issue did not affect finish position or awards, only the actual time. This correction could mean the difference of a PR for some, and we feel it is very important to report results as accurately as possible. We apologize for the error and have adjusted the settings to show accurate finish times within this final report. Thank you.
